A CULTURAL TREASURE OPENS IN SPOKANE

What people first notice about the new Northwest Museum of Arts & Culture is the massive arching wood roof of the new Exhibition & Education Center and a bank of windows offering sweeping views of the Spokane River valley.

The Museum, 2316 W. First Avenue, includes a new Exhibition & Education Center with 5 underground galleries, orientation gallery, café and store. The campus also includes a three-level parking garage, outdoor amphitheater, as well as the existing 1898 Campbell House and fully renovated Cheney Cowles Museum which houses the Research Archives/Library and auditorium.

Exhibits in the new galleries focus on the Museum's three major disciplines: American Indian and other cultures, regional history and visual art. Long term exhibits include People of the Rivers: Lifeways of the Northern Plateau, and Hometowns: Heart of the Inland Northwest. Additional galleries feature changing visual art and regional history exhibits.

Visitors to the adjacent Campbell House, an 1898 Tudor Revival mansion, experience the history of the home's original owners with an interactive new program that takes the form of a historical novel, complete with biographies and conflicts. Following an orientation in the Carriage House, visitors move to the Campbell House and are transformed by trained docents into "characters" associated with the Campbell family including a maid, politician and a detective.

The MAC also hosts a variety of events on site including ArtFest, an annual music and arts festival drawing more than 35,000 visitors to the free three-day event; monthly Family MACFests; Antique Appraisal Days, artist demonstrations and lectures.

A free Northwest Golf Map with information about 51 area golf courses is available at the Spokane Visitor Information Center located at 201 W. Main Avenue or by calling (888) SPOKANE.

INDIAN CANYON GOLF COURSE

Indian Canyon Golf Course is internationally known because it's hosted several Public Links championships in the past. The view of the city and Mt. Spokane to the northeast will make you stop and pause for a moment as you play this incredibly challenging and exciting golf course.

Green Fees: \$24.00

DOWNRIVER GOLF COURSE

Downriver Golf Course is situated above the Spokane River in the northwest part of

the city and holds title to being the oldest public course in the region. Don't let the fact that there are no water hazards lull you into

complacency. Downriver will test your handicap at every stroke throughout your game. Green Fees: \$20.00

ESMERALDA GOLF COURSE

Esmeralda Golf Course is located northeast of the city center. Unlike other courses in the area 'Ezzy', as it's nick-named, boasts rolling fairways lined with an assortment of deciduous trees. Close your eyes and you might think you are playing a mid-west or New England course. Green Fees: \$20.00

THE CREEK AT QUALCHAN

The Creek at Qualchan, named after a Native American chief, criss-crosses and follows famed Hangman Creek just southwest of downtown. A long ball hitter's nightmare, Qualchan favors the shorter, but more accurate golfer. A variety of elevated tees, ponds, sand traps and the creek itself provides an exciting game. Green Fees: \$20.00

COUNTY GOLF COURSES

Not to be outdone, Spokane County operates three, eighteen hole golf courses that are as beautiful and thrilling as the city courses.

HANGMAN VALLEY GOLF COURSE

Hangman Valley Golf Course is located fifteen minutes south of Spokane and plays

along the same Hangman Creek as one of its 'city cousins.' A favorite among local and visiting golfers alike, Hangman Valley pro-

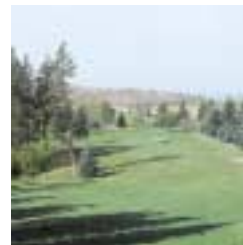

vides a challenging and enjoyable golfing experience for everyone. Green Fees: \$18.50

LIBERTY LAKE GOLF COURSE

The Spokane Valley is home to Spokane County's other two golf courses, both just 18 miles

east of the city. Liberty Lake Golf Course is situated above Liberty Lake and features mostly level fairways.

Holes #13 through #17 traverse an ancient gully that used to wash down into Liberty Lake. Green Fees: \$18.50

MEADOWWOOD GOLF COURSE

Just to the north and literally across the street from Liberty Lake Golf Course is MeadowWood Golf Course. Its undulating fairways, crooked doglegs, fairway bunkers and picturesque ponds guarantee an exciting and thrilling game. MeadowWood's open appearance may provide you with a

false sense that an errant shot doesn't mean trouble that is until you're adding up the strokes on your scorecard! Green Fees: \$18.50

Northeast Washington is filled with amazing opportunities to discover fossils that are millions of years old. The small town of Republic, Washington, just two hours northeast of Spokane, is one of the world's key sites to collect fossilized flora and fauna!

Boot Hill is open to the fossil-hunting public. Why not rent a gunnysack, hammer and chisel from the Stonerose Interpretive Center and carve out your own piece of northwest history!

GETTING AROUND TOWN

RENT A CAR, TAKE THE BUS, OR HAIL A CAB. TOUR THE CITY YOUR WAY.

Getting around Spokane is a breeze. While we are considered a major metropolitan area, you'll find little in the way of traffic congestion here. Divided at the center by Sprague Avenue and Division, our city is mapped out in a simple grid pattern so it's easy to find your way.

Detailed city maps, along with friendly personal instructions, are always avail-

able at the
Spokane
Visitor
Information
Center

located at 201 West Main and the 2nd Level Southside Entrance at the Spokane Valley Mall.

The downtown core offers plenty of parking, with several thousand spaces in lots, garages and on the street. Many merchants provide validations and discounts for downtown garages and lots.

Parking for disabled persons is available both off-street and in

metered

areas.

If you park

in a dis-

abled-only

parking

space, you must clearly display your disability permit.

Spokane is a pedestrian friendly city. Wide sidewalks, good weather and beautiful landscaping make our city prime strolling territory. During the colder months, residents and visitors find warmth and great views from the

skywalks that connect much of downtown.

Spokane
Transit
Authority
(STA) pro-
vides a user

friendly transit system. Quaint street-cars offer convenient shuttle service in core areas, while clean, quiet

busses provide routes throughout the city. Schedules are available down-

town at the Spokane Visitor

Information Center, the STA Plaza,

or by calling 328-RIDE. For the

most current routes and schedules,

TWO MORE REASONS WHY SPOKANE IS A FRIENDLY PLACE TO VISIT.

Doubletree Hotel Spokane • City Center

Doubletree Hotel Spokane Valley

Whether you prefer to stay in the heart of downtown Spokane, or closer to its many outlying attractions, you'll find a Doubletree location that's just your style. Our City Center property borders the scenic Spokane River and Riverfront Park, close to Nordstrom and RiverPark Square shopping. Our garden-style Spokane Valley property is convenient to Interstate 90, near the Spokane Valley Mall and Factory Outlets. Both are within an easy drive of 76 lakes, 5 major ski areas and 49 golf courses.

Both family-friendly locations welcome you with fine restaurants, lounges, heated pools and other amenities—including our signature freshly baked cookies. For reservations visit **doubletree.com**, contact your professional travel agent, dial **1-800-222-TREE** or call either property directly.
